

# TRIDENT

TAKING THE GUESSWORK  
OUT OF CHOOSING THE  
RIGHT OIL

THE TRIDENT RANGE OF OILS **COVERS THE  
MAJORITY** OF THE OUT OF WARRANTY CARS  
YOU WILL SEE IN YOUR GARAGE WORKSHOP

## WHICH OIL DO YOU USE FOR WHICH CAR?

---

When your customers bring their vehicle in for a service and oil change, as far as they are concerned, oil is oil. But as a garage owner or mechanic, you are expected to know which oil is the right oil and you are presented with an extensive choice; potentially meaning you have to tie up your money in stocking a wide range of oils to cover all eventualities.

### NOT SO WITH TRIDENT

- The professional Trident engine oil consists of just six oil blends that cover you for the majority of the out of warranty vehicles you will see in your garage workshop.
- It has been developed principally for professional and trade users and surpasses manufacturers' standards.
- It is ideal for high volume use in the workshop.

## WHY USE TRIDENT?

---

Your customers trust you to make the right decisions regarding their vehicle; giving them the very best service means they will come back to you again and also tell others. There is nothing quite like word-of-mouth recommendations for growing your business and we should know. Trident is blended in the UK by Millers Oils who have been producing oils and lubricants since 1887 and who understand the importance of quality. Our oils are trusted by professionals.

- Competitively priced oils to deliver enhanced profitability for your business;
- High quality oils to provide your customers with improved fuel economy, lower emissions and good wear protection for longer engine life;
- Hotline to the Millers Oils technical team with any queries you have relating to oil and lubricants;
- Use of the Millers Oils oil sampling service where you need greater understanding of what is going on in an engine;
- Designated accounts manager to look after your requirements
- Our Millers Oils Export team for general queries.

Our technical team can help and advise on the Trident oils most suited to your requirements to help you to order the oils in the volumes you will need. All of the Trident range is available in convenient 1, 5 and 25 litres plus containers of 199 litres and bulk deliveries. We own our own fleet so in the majority of cases, deliveries can be made quickly and easily to you.

# CHOOSE YOUR OIL

The Trident range has been formulated to cover the largest amount of vehicle specifications outside of warranty, with the minimal number of oils; with the independent garage in mind, we know you don't want your cash tied up in stock. Blended from high quality oils with specialist additives to provide improved fuel economy, lower emissions and excellent wear protection to give longer engine life, Trident is the range of oils trusted by professionals.

**TRIDENT  
LONGLIFE  
5w30  
CODE: 5999**

Our best seller. A high performance fully synthetic engine oil suitable for diesel (with or without particulate filter) and petrol vehicles. Operates to meet the latest European emissions standards and recommended for vehicles with variable service intervals.

**FULLY SYNTHETIC  
ACEA C2, C3  
API SN, CF**

**TRIDENT  
LONGLIFE  
5w40  
CODE: 6124**

A high performance fully synthetic petrol and diesel engine oil particularly recommended for us in vehicles using variable service intervals and those that need a fuel efficient oil.

**FULLY SYNTHETIC  
ACEA C3  
API SN, CF**

**TRIDENT  
LONGLIFE  
FUEL ECONOMY  
5w30  
CODE: 8058**

Developed primarily for a wide range of Ford engines, this oil not only meets the manufacturer requirements for improved fuel economy, but is also backward compatible to encompass even more specifications.

**FULLY SYNTHETIC  
ACEA A5/B5  
API SL, CF**

**TRIDENT  
5w30  
CODE: 5995**

A semi synthetic high performance engine oil formulated for engines required a 5W30 grade including Ford and many Japanese models.

**SEMI SYNTHETIC  
ACEA A3/B3, A3/B4  
API SL, CF**

**TRIDENT  
5w40  
CODE: 7625**

A fully synthetic engine oil especially formulated for modern high performance vehicles that provides easy starting and quick circulation of the oil even under very cold conditions. Suitable for turbo charged engines.

**FULLY SYNTHETIC  
ACEA A3/B3, A3/B4  
API SL, CF**

**TRIDENT  
10w40  
CODE: 5991**

High quality semi synthetic engine oil for cars and light vans for use in more modern petrol and diesel vehicles where advantage can be taken of lighter lower viscosity oils. Suitable for turbo charged engines.

**SEMI SYNTHETIC  
ACEA A3/B3, A3/B4  
API SL, CF**

The Trident range excludes vehicles that require ACEA C1 or C4 and 0w20, 0w30 and 0w40 specifications. Millers Oils recommends referring to your vehicle handbook for manufacturer specification and viscosity required; you can also use our 'Which oil' recommendation on our website. Oil specifications are subject to change by the manufacturer.
